Funding

This website is part of the FloodAdaptVN research project on flood risk adaptation in Central Vietnam. The project is funded by the Federal Ministry of Research, Technology and Space (BMFTR) under Project No. 01LE1905A.

External Links

This website contains links to external third-party websites. These links are provided for information only. The University of Tübingen has no influence over the content of those external sites and does not adopt their content as its own. The University assumes no responsibility for the availability or accuracy of external websites, nor any liability for damage or loss arising from the use of such content. At the time of initial linking, the linked pages were checked for possible legal violations and no unlawful content was identified. However, continuous monitoring of linked content is not feasible. Upon notification of an infringement on an external site, the link will be removed promptly. The provider of the external site is solely liable for illegal, incorrect, or incomplete content on their pages.

Copyright and Licensing

Unless otherwise indicated, all content on this website (including text, images, graphics, and data) is © University of Tübingen or the respective FloodAdaptVN project partners. All rights reserved.

Content on this site is protected by copyright laws. Any use outside the limits of copyright law – in particular, duplication, editing, translation, or distribution of content – requires prior written permission from the University of Tübingen. Downloads and copies of these pages are permitted only for private, academic, or other non-commercial use.

Where content (such as images or datasets) is expressly marked with a *Creative Commons* or other open license, it may be used in accordance with the terms of that license. In such cases, proper

attribution to the author/creator and compliance with any license conditions (e.g. non-commercial use, no derivatives) are required. If not explicitly marked as open-license, the content may not be reproduced or reused without permission. The University of Tübingen logo and other logos appearing on this site are protected trademarks and are not covered by open licenses; their use requires explicit consent.

Disclaimer (Liability for Content)
